AURORA QUIK-LOK® SHELVING
MORE OF EVERYTHING!

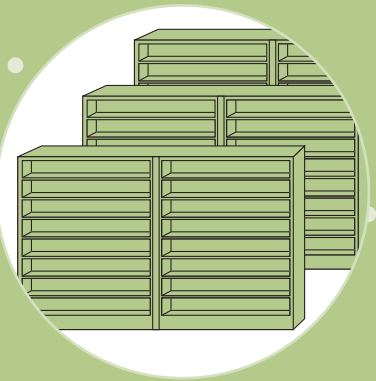

More Value, More Options,

Aurora Shelving is a great value, lasting for years. A lifetime warranty is our value pledge.

Choose from a multitude of options, now or when your needs change.

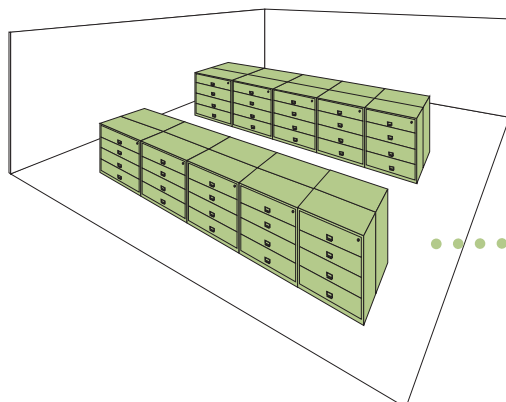

More Quality!

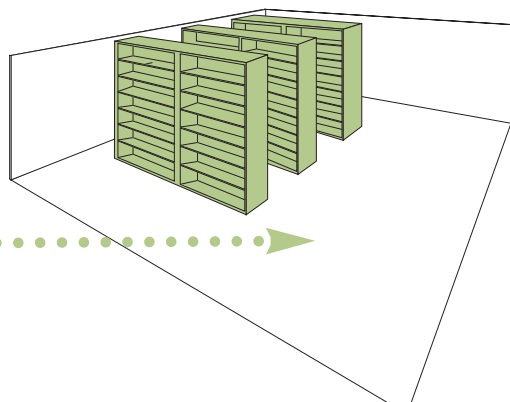

Perfect fit and perfect finish define our quality.

**WHEN YOU WANT TOP SHELF,
ONLY AURORA WILL DO.**

For over 50 years Aurora has been offering the highest quality, versatile shelving that assembles in a snap, no hardware required. If you want more value, more options, and more quality, turn to Aurora.

Laterals waste floor space

Aurora Quik-Lok stores more in a smaller footprint

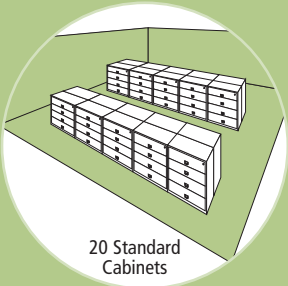

Try storing binders, computer equipment, retail goods, or product samples in lateral cabinets. Aurora Shelving is versatile enough for anything you want to store. Flexible, reconfigurable Aurora Quik-Lok Shelving can store more and save valuable floor space.

MORE STORAGE, MORE SPACE

More of everything with Aurora Quik-Lok Shelving.

20 Standard Cabinets

Save 50%

More work area

More storage

Why waste space?

In the same room, 20 four-drawer lateral cabinets give you 3200 filing inches. With Aurora, six 7-tier sections of double-entry shelving give you 3360 filing inches. You gain more storage and use only 50% of your space!

With Aurora Shelving you save 50% of your floor space.

MORE OPTIONS

Quik-Lok Shelving

Make no mistake, Aurora Shelving is the original standard by which others are measured. Why settle for anything else?

Open or closed back, single or double entry, letter or legal, Aurora Shelving has the size, style, and accessories for storing everything.

Mobile Ready

Aurora Quik-Lok Shelving can be ordered "mobile ready" to install on Aurora Mobile system carriages.

Library Shelving

Look in universities, schools, law offices and libraries nationwide and you'll find Aurora Library Shelving. The unique side-wall construction of Aurora Library Shelving allows easy access to even tightly packed books at the end of a row.

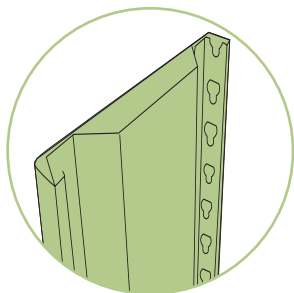

Wood-Tek™

What do you get when you blend the strength of Aurora Shelving with the beauty of real wood? Wood-Tek, of course. Elegant shelving, cabinets, conference tables, or custom pieces can be ordered in five species of wood and ten beautiful stains. Choose from traditional to contemporary styles.

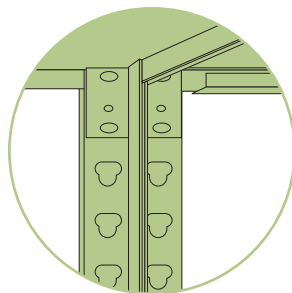

X-Ray Shelving

Rugged Aurora X-ray Shelving can house the largest of X-rays and take the extreme weight this storage demands. A special antimicrobial paint finish is available.

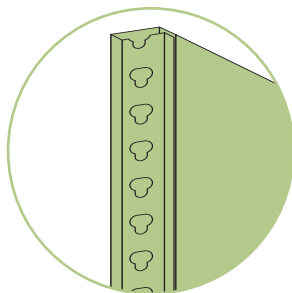

Library Upright

Library innerwall construction allows easy access to books at the end of the row.

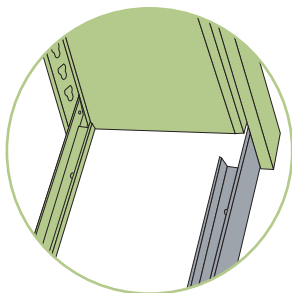

T Upright

Post is 2" wide with 2 rows of keyhole slots.

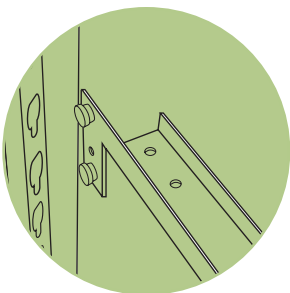

L Upright

Post is 1" wide with 1 row of keyhole slots.

Quik-Base™

Quik-Base acts as shelf support, front base, and floor anchor all in one.

Quik-Lok®

No nuts, bolts, or screws required.

Quik-Lok Assembles in a Snap!

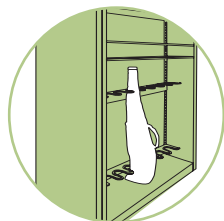

The key to easy assembly starts with our unique keyhole and rivet system, no nuts, bolts, sway braces, or hardware required.

Patented Quik-Base provides a sturdy foundation combining shelf support, front base, and floor anchor.

End Panel Design Options:

End panel options include steel, laminate, Wood-Tek™, and 3-Form™ acrylics.

Wood-Tek end panels are available in ten stains and five species of real wood.

Order magnetic marker board overlays to jot down important notes.

Where Design Meets Science

A healthier future, a special new Gloss-Tek™ finish incorporates antimicrobial properties.

Magnetic Marker Boards

Our Environmental Pledge

We use environmentally friendly Gloss-Tek™ powder coat finish on our Aurora Quik-Lok Shelving. This finish is 100 percent non-emissive; free of formaldehyde, methanol, and other solvents; and completely friendly to artifacts, specimens, and documents.

No wonder we say that with Aurora, any color you choose is "green."

Choose from a number of countertop and end panel options such as Wood-Tek™, laminates, marker boards, and 3-Form.
